Don't just take our word for it...

"Celebrated my birthday in Vegas and went to see Louie Anderson... I never laughed so hard for 2 hours straight in my life. He keeps you laughing throughout the show and most of what he talks about relates to us all. Definitely worth the money...also do the Meet and Greet...it was AWESOME!!!"

"One of the best shows I have seen. Its not everyday that you can see a comedian of his caliber in such an intimate setting. Definitely worth the price of admission!"
